ENCLOSURE

[REDACTED]

[REDACTED] is described as a white male, approximately 55 years of age, 6'2", 195 pounds, large build, ruddy complexion, dark brown hair, brown eyes, wears glasses, and is reportedly a heavy drinker. b6

There is no arrest record on [REDACTED] with the Kerrville, Texas, Police Department.

Contact has been maintained with [REDACTED] Bandera County, Texas. [REDACTED] although he has had periodical contact with [REDACTED] during the past two months, no further information pertinent to this matter has come to his attention.

On February 9, 1965, [REDACTED] stated he had developed information that [REDACTED] had purchased the .38 caliber revolver from [REDACTED] Adolph's Store, at Medina Lake. He stated [REDACTED] purchased 200 rounds of ammunition from [REDACTED] at the time he purchased this revolver. [REDACTED] stated it is his understanding that [REDACTED] purchased this revolver for a doctor living in Kerrville, Texas.

On February 10, 1965, [REDACTED] Kerrville, Texas, advised that [REDACTED] is a close associate with [REDACTED] Kerrville, Tex. b7c

He stated [REDACTED] is a "conservative" and possibly a member of the John Birch Society. He stated it is his understanding that [REDACTED] is a close associate and friend to [REDACTED] of Dallas, Texas, and that [REDACTED] was even instrumental in holding meetings of the John Birch Society in the Kerrville area. [REDACTED] further stated that in contacting the wife of [REDACTED] on another matter, he was able to observe considerable printing equipment in the garage of [REDACTED] which, he says he understands, is used in the preparation

[REDACTED]

and publication of materials of this group. b7c

On February 19, 1965, a confidential source who has furnished reliable information in the past advised he is a close associate of [REDACTED]. He stated [REDACTED] has resided in Kerrville for a number of years and obtained his income through a trust fund which was established by [REDACTED] father. He stated [REDACTED] is allegedly an heir to considerable property in the State of Oklahoma and elsewhere.

This confidential source described [REDACTED] as a strong conservative but one who is not, in his opinion, a dangerous type of individual. He stated that [REDACTED] drinks considerably and when he becomes intoxicated is a "loud mouth" and boisterous individual. This source stated that [REDACTED] is a member of the National Rifle Association and has always been greatly interested in firearms. He stated, however, this is only a personal interest and hobby which [REDACTED] has in firearms and not one that would involve the safety of the Government. b7

In 1963 [REDACTED] was the subject of an investigation by the Oklahoma City San Antonio Office of the Federal Bureau of Investigation. This investigation arose through allegations made by LAURENCE W. GUNNISON, a member of the Oklahoma State Legislature who stated that [REDACTED] had made threats to him by telephone from Kerrville, Texas, in regards to a dispute arising from a bill introduced by GUNNISON in the Oklahoma Legislature concerning firearm permits.

[REDACTED] when interviewed, stated that this bill which GUNNISON had presented to the Oklahoma State Legislature

[REDACTED]

appeared in an issue of the National Rifleman Association magazine, requiring a permit for persons to carry certain types of firearms. [REDACTED] stated he strongly opposed any such bills inasmuch as it believed the citizens of this country of the right to protect themselves but, in no way, will prevent firearms from getting into the hands of the criminal.

This investigation further revealed that [REDACTED] in the past, had written abusive letters to judges in the State of Oklahoma in which personal matters of [REDACTED] were involved. It was also determined that in his younger days, [REDACTED] allegedly carried firearms. He was described as an abusive, loud mouth who was continuously making wild statements but never attempted to carry any of them out.
